in Bhargavi Nagulamalyala

Profile

Innovative and detail-oriented **Electronics and Communication Engineer** with strong expertise in **circuit design**, **embedded systems**, and **communication technologies**. Passionate about integrating hardware and software to create intelligent, efficient, and future-ready solutions that drive technological advancement.

Education

B-Tech,ECE,
Rishi MS Institute Of Engineering And Technology For Womens ↗

Present 2023 – 2026
Hyderabad,Telangana

Post-Secondary, *Government Polytechnic Kataram* ↗
CGPA: 8.7

2020 – 2022
Bhupalpalli,Telangana

Secondary, *Secondary TSMS mallial*
GPA:10

2020
Pedapalli,Telangana

Skills

Technical Skills
- Basic linux command.
- C programming.
- Basic embedded c.
- Cisco packet tracer.

Personality Traits
- Clear communication.
- Team work.
- Adaptability.
- Quick learner.
- Detail oriented.

Projects

- Developed automatic water dispenser using Arduino IDE
- Done real time project on touch sensor
- Developed embedded system application of vehicle theft detection using ARDUINO
- Done a simulation project on smart home automation in Cisco packet tracer

Certificates

- Learn Prompting
- Introduction To IOT And Digital Transformation
- Embedded For Beginners
